(Phoenix, Ariz. – April 21, 2006) – Attorney General Terry Goddard will host a Shred-a-Thon in Flagstaff on Wednesday, April 26. This event will be held in conjunction with the dedication of the Attorney General's satellite office located at the Flagstaff Family Resource Center, 1806 E. Route 66. Area residents are encouraged to stop in and visit with Goddard and volunteers staffing the office. Goddard will be at the event from 3 to 4 p.m.

Residents are also encouraged to bring documents such as bills, tax returns older than seven years, medical records and other documents containing personal identifying information to shred. Iron Mountain Inc. is donating the use of a large shredding truck for the event.

"Old documents, bills and tax forms are gold mines for ID thieves," Goddard said. "Shredding is a great way to protect yourself from becoming a victim."

The Attorney General's Fraud Fighter Van and Community Services staff will be at the Family Resource Center on April 26 with consumer information.

Flagstaff residents interested in more information about consumer protection and civil rights can visit the Satellite Office on Monday afternoons from 5 to 7 p.m. Please visit the Attorney General's Web site at www.azag.gov for other office locations and hours of operation.
